Name : _____ Date : _____

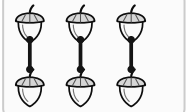

PAPILUMO / 1st Grade (ages 6–7)

Odd and Even Numbers to 20

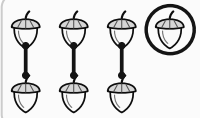

Join the dots in pairs. Tick even or odd.

"Hi, I'm Sami! Help me pair up my acorns two by two like dots: if every one has a partner, the number is even!"

6 : Even
No dot left over.

7 : Odd
One dot left over.

1. Join the dots in pairs, then tick the correct box.

5

☐ Even ☐ Odd

8

☐ Even ☐ Odd

11

☐ Even ☐ Odd

14

☐ Even ☐ Odd

17

☐ Even ☐ Odd

20

☐ Even ☐ Odd

2. Write each number in the correct column.

3 | 10 | 15 | 18 | 9 | 12

Even

_____

Odd

_____

Sami's tip: an even number always ends in 0, 2, 4, 6, or 8 and makes neat pairs with none left over.
