PAPILUMO / Kindergarten (ages 5–6)

Before, Between, and After (10–20)

Use the 10–20 number bar to write the number just before, just after, or right between two lily pads.

Out on the quiet pond, Bibi the lily-pad frog hops from 10 to 20. Help her find every missing neighbor!

Example: before 12 comes 11, and right after 12 comes 13.

before [11] ← [12] → [13] after
