Sort Fruits and Vegetables

Draw a line from each food to the right basket (or circle the fruits and square the vegetables), then write the total under each basket.

Hello! Nila the garden hedgehog mixed up her market harvest. Help her sort the fruits and vegetables into the two baskets!

Solved example: Apple → Fruits | Carrot → Vegetables

Apple

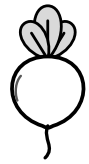

Broccoli

Strawberry

Carrot

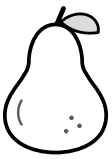

Radish

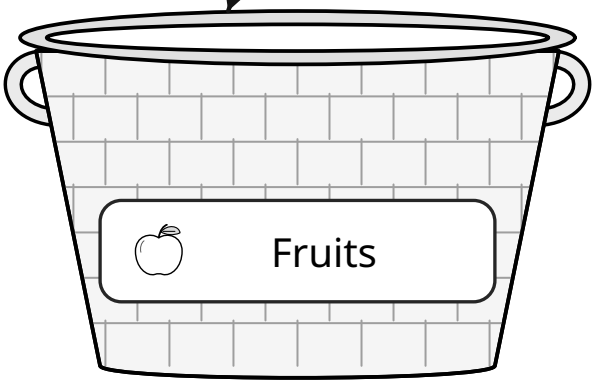

Banana

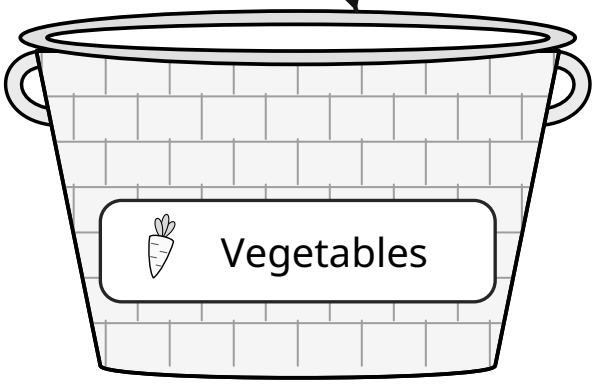

Pumpkin

Pear

Fruits

Vegetables

Total fruits: ☐

Total vegetables: ☐

Tip: count the 4 foods in each basket carefully before writing 4 and 4 in the two boxes at the bottom.
