Weather and Clothes Picture-Word Match

Draw a line from each weather card on the left to the matching item on the right, then circle the right outfit at the bottom.

Pipo the Explorer Penguin is checking his weather vane! Help him match each weather scene to the gear he needs.

Example: Raincloud -> Rainboots

1. Match each weather card on the left to the matching item on the right

Sunny	Pajamas
Rainy	Knit Hat & Mittens
Snowy	Sunglasses
Windy	Kite
Night	Umbrella

2. Circle what Pipo should wear for each weather prompt

A It is snowing! — Scarf | Swimsuit | Cap

B It is sunny! — Sunhat | Snowboots | Raincoat

Pipo's tip: say each weather word out loud first and think about what keeps you warm, dry, shaded, or ready to play!
