Name : _____ Date : _____

PAPILUMO / 1st Grade (ages 6–7)

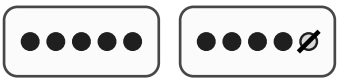

Doubles Minus One: Near Doubles Within 20

Write the double of the larger addend in the first two boxes, subtract 1, and write the final total in the last box.

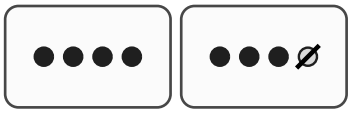

Timo the Rabbit hops onto the bigger double, then hops back 1 step (- 1) to land on the answer!

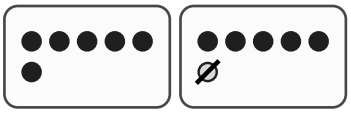

Example: 5 + 4 = 5 + 5 - 1 = 9

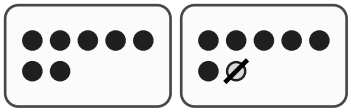

5 + 4 ⟶ 5 + 5 - 1 = 9

1 **4 + 3 =** 

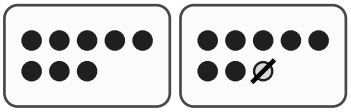

__ + __ - 1 = __

2 **6 + 5 =** 

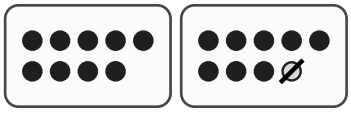

__ + __ - 1 = __

3 **7 + 6 =** 

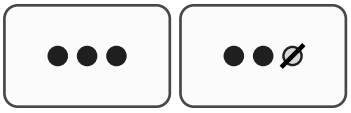

__ + __ - 1 = __

4 **8 + 7 =** 

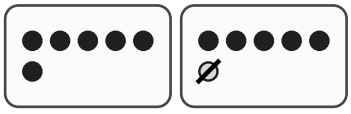

__ + __ - 1 = __

5 **9 + 8 =** 

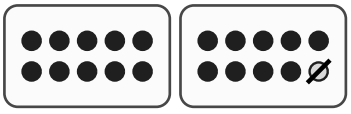

__ + __ - 1 = __

6 **3 + 2 =** 

__ + __ - 1 = __

7 **5 + 6 =** 

__ + __ - 1 = __

8 **9 + 10 =** 

__ + __ - 1 = __

Timo's tip: spot the larger of the two numbers first, double it, and subtract 1!
