# Beginning Sound Odd One Out

Say all four picture names out loud in each row, cross out the one picture with a different starting sound, and trace the letter.

Sora the Owl cups her wings to listen closely to the very first sound in every word! Find and cross out the odd picture in each row.

**Example: /m/ like mug (yes), not sun (X)**

**Worked example**

**Mm**

**2.**

Ss

**3.**

Bb

**4.**

Pp

**5.**

Ll

**6.**

Tt

Sora's tip: stretch out the first sound of each picture word slowly before you decide which picture does not belong.
