Count and Color the Bar Graph

Count each kind of badge. Color one box per badge, starting at the bottom.

Ari is sorting badges. Help the raccoon fill his graph!

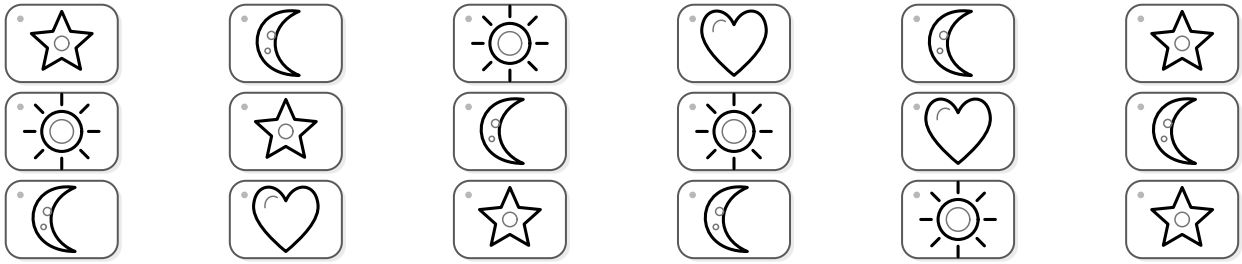

Example:

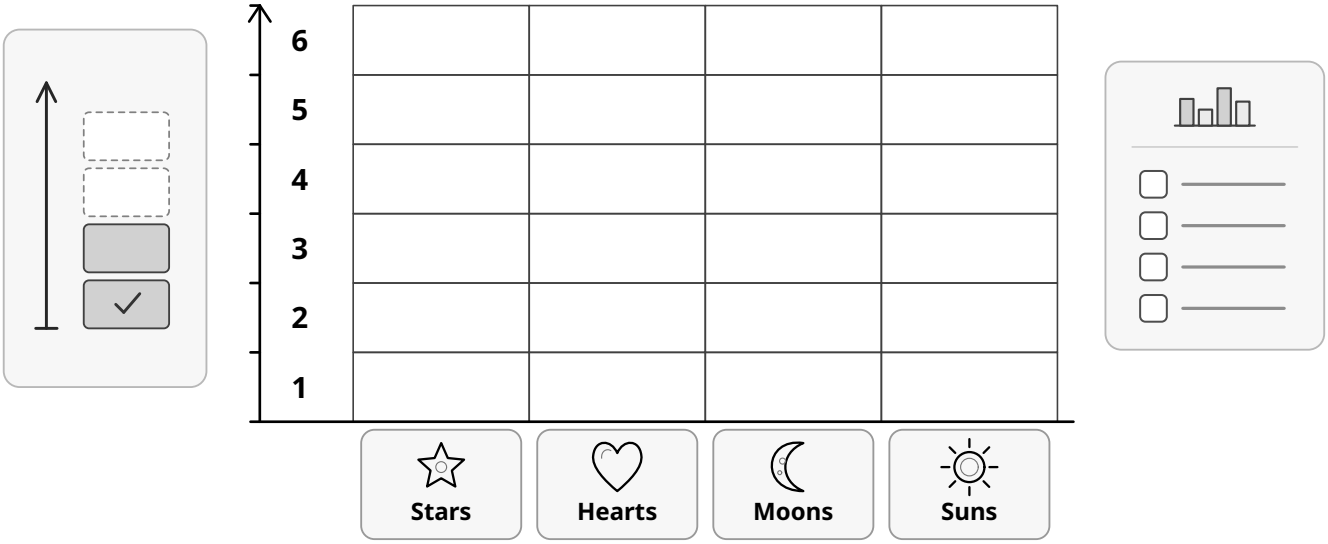

2 circles = 2 boxes

1 box = 1 badge

Ari's Badges

My Bar Graph

1. Circle the badge Ari has the most of.

2. Circle the badge Ari has the least of.

3. How many suns? Write the number. ☐

Start at the bottom. Leave no empty boxes below colored boxes.
