Addizioni con i dadi

Conta i punti dei due dadi e completa le addizioni.

Ciao, sono Pico il volpino! Ho lanciato i miei dadi nella scatola dei giochi. Conta i punti di ciascun dado e completa l'addizione!

Esempio **contare dal primo dado**

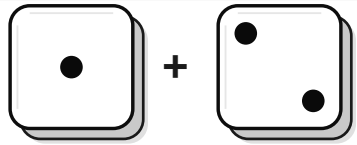

4 + 1 = 5

4 punti e 1 punto in più fanno 5!

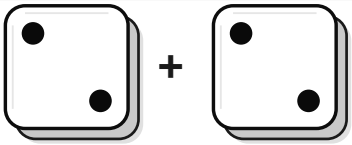

Tocca a te: conta i punti dei due dadi e completa ogni addizione.

1

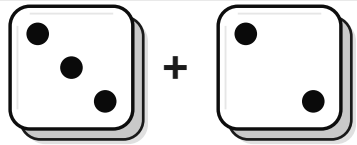

_____ + _____ = _____

2

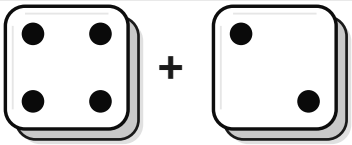

_____ + _____ = _____

3

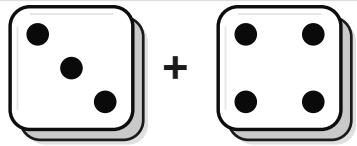

_____ + _____ = _____

4

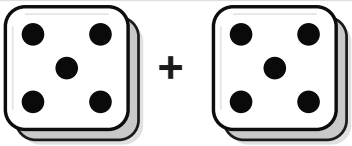

_____ + _____ = _____

5

_____ + _____ = _____

6

_____ + _____ = _____

Consiglio Tocca i punti uno alla volta per contarli, oppure parti dal primo dado e aggiungi i punti del secondo.
