Formare 10 con le perle di Lila

Colora alcune perle. Scrivi i due numeri che formano 10.

Lila prepara collane di dieci perle. Inventa sei modelli diversi!

Un esempio: 3 + 7 = 10

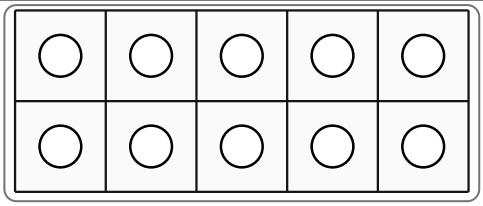

3 + 7 = 10

3 perle colorate e 7 bianche formano 10 perle.

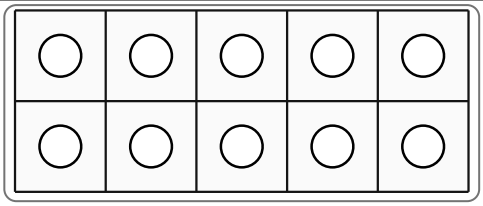

0 – 10 **Cambia il numero di perle colorate in ogni scheda. Puoi usare anche 0.**
