Adições com dados

Conta os pontos dos dois dados e completa as adições.

Olá, sou o Pico, a raposinha! Lancei os meus dados na caixa dos jogos. Conta os pontos de cada dado e completa a adição!

Exemplo **contar a partir do primeiro dado**

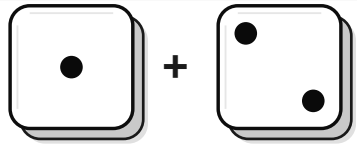

4 + 1 = 5

4 pontos e mais 1 ponto fazem 5!

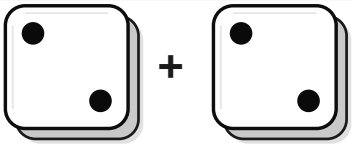

A tua vez: conta os pontos dos dois dados e completa cada adição.

1

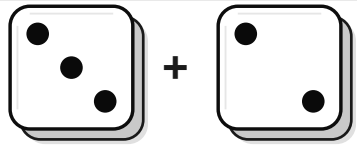

__ + __ = __

2

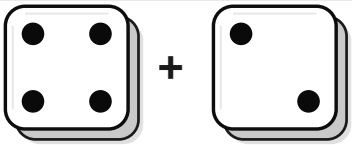

__ + __ = __

3

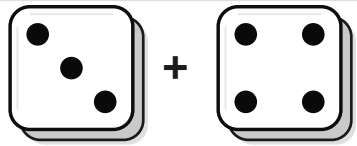

__ + __ = __

4

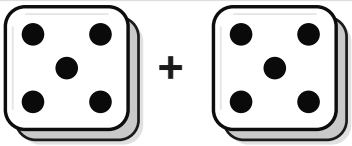

__ + __ = __

5

__ + __ = __

6

__ + __ = __

Dica Toca nos pontos um a um para os contar, ou parte do primeiro dado e continua a contar os pontos do segundo.
