Matrizes lógicas 2×2: a figura em falta

Observa cada grelha 2×2 por linha e por coluna e rodeia a opção (A, B ou C) que substitui o «?».

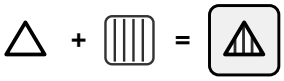

O Pico, a raposa detetive, investiga seis grelhas secretas: cada linha e cada coluna escondem uma regra certa!

Exemplo resolvido:

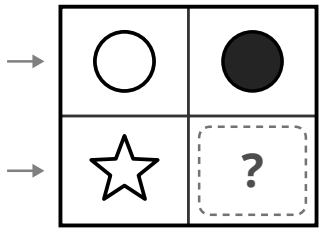

→ **Linha: mesma forma**

→ **Coluna: branco -> riscado**

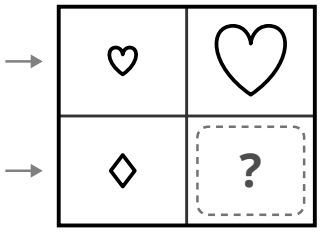

Resolve cada matriz 2×2 e rodeia A, B ou C para completar a casa «?»:

2 Desafio 2

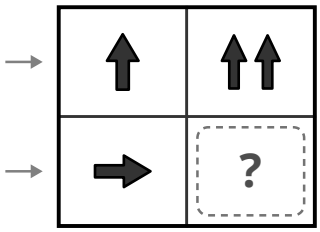

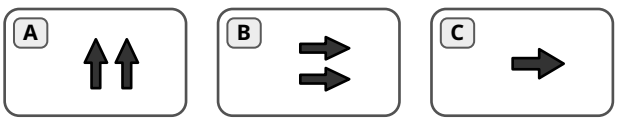

3 Desafio 3

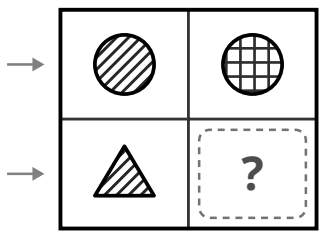

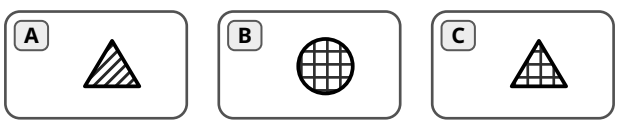

4 Desafio 4

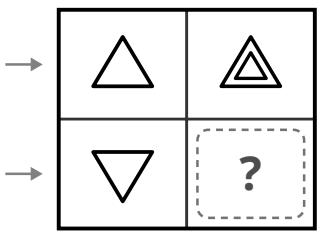

5 Desafio 5

6 Desafio 6

Dica do Pico: confirma primeiro o que fica igual na linha de baixo e depois o que muda na coluna da direita.
